

# Veve Clicquot Airstream Lounge at the International Polo Club – Exquisite Sunday Champagne & Polo Brunch

The Veve Clicquot Airstream Lounge at The Pavilion presents a fresh alternative to the veranda champagne brunch and polo package offered every Sunday at the International Polo Club. Sporting the daring Veve Clicquot signature yellow label color (it's trademarked!) as décor accents, this exclusive area offers premium, field-side seating in oh-so-chic, clear Lucite chairs, offset with black and white brocade linens, along with plush sofa settings and, of course, a private Veve Clicquot bar. A personal hostess greets each ticket holder and servers attend to the mechanics of changing fresh tableware, as guests indulge in a lavish buffet featuring over 80 culinary selections. A bottle of Veve Clicquot champagne is served up in a trendy, contemporary ice bucket designed exclusively by Veve, and the "Love Stream" (a refurbished vintage 1971 Airstream) completes the amenities.

For polo enthusiasts and scene makers seeking a high-goal polo experience of unequalled sophistication and elegance, the Veve Clicquot Airstream Lounge brunch offers exclusive, field-side seating overlooking the Engel & Völkers Field, with tables for six, which are limited to just nine tables each Sunday. The exclusive seating and viewing area has become one of the most sought-after hospitality areas at the chic, high-goal polo matches. Envious onlookers can only gaze beyond the iconic white picket fence at the beautiful people sipping golden bubbly from flute glasses in supreme luxury. We are confident that the legendary Madame Clicquot would approve!
